

A Rewarded Journey

By Jack DePass

(A tiny hand-sized fox stuffed animal walks up the big blanket. The lights were dead and another stuffed animal that is a turtle the exact size of him walked up to him.)

Foxy: Oh, just in time BB, is Jack asleep yet?

BB: Yup, faster than usual. But we're good to go.

(BB looks up to Jack, snoring loudly.)

Foxy: Ok, I'll go... wait, are Reis and Edith asleep?(He looked down below and saw Edie move.) Quick! Edie is getting up! This is our chance! Come on, let's sneak out the door.

BB: But wait until she leaves the room, she usually takes a long time to get down, so we have time and we can tell the others.

Foxy: Ok, I think she left the room. Wait, I almost forgot, we have to warn everybody.

(Stuffed animals don't feel anything when they get hurt so BB was in midair halfway to the ground.)

BB: Free fall! (Foxy looked down uncomfortably.)

Foxy: (Foxy jumped down too.) Don't be too loud or Reis will wake up.

BB: (Foxy and BB had just landed.) Ok, but how will we tell everyone?

Foxy: We will have to call some of the others to warn almost everybody.

BB: I'll go to Meadows and you go tell Rainbow Foxy.

Foxy: Ok, but also go tell Chub.(Foxy looks over at the
Big Stuffed Animal Bin.)

BB: Ok, let's go.(BB goes over to go see Chub and Meadows at the Big Stuffed Animal Bin or B.S.A.B.)

Foxy: (Foxy runs over to Edie's Bed and jumps onto the bed. He looks around quickly.) Rainbow Foxy!(A pink and white colored stuffie that can change its colors stumbles up to Foxy.) Oh, there you are!

Rainbow Foxy: Oh hello Foxy, are we getting ready for you-know-what.

Foxy: Yup! But first we have to warn everybody. Can you help? Just try to find as many stuffies as you can? Chub and Meadows are finding them too.

Rainbow Foxy: Ok, anything for the you-know-what surprise!

Foxy: Ok, let's split up. I'll go help the Squishmallows get down the Tiny Stuffies Bin(T.S.B.) and if not, then I'll go unzip the Stuffie Pillows if we can find any.(Foxy turned around to look at Rainbow Foxy.) Hey!(Foxy turned around in surprise to see Rainbow Foxy gone.) Oh well, I'll go.(Foxy ran as fast as he could, which is 0.2 mph, to the B.S.A.B. to help BB at with the squishmallows get down the T.S.B.(When Foxy got there, he looked up.) Ahh! (Foxy saw a big stacked Squishmallows trying to get down the T.S.B.

All The Squishmallows And BB together: **TIMBER!**(The T.S.B fell onto Chub which was actually a pretty soft landing because the T.S.B. wasn't broken.)

Foxy: Phewph!

BB: Oh hello Foxy!

Foxy: Oh, it seems that we have already got the tiny stuffies bin down.(Foxy looks over at the T.S.B.) And... What luck! The cap is already off!

BB: (BB goes over to the T.S.B.) The coast is clear, everyone can come out.

Foxy: Rainbow Foxy also helping. Do you want to come with me to unzip the stuffie pillowcases(S.P.)?

BB: Ok, sure.

Foxy: Great! C'mon.(Foxy started up the desk.)

BB: Hey, wait, why are we going this way? The ladder is the other way.

Foxy: It's easier and so we can leave earlier. C'mon quickly!

BB: But how in the world are we going to get up the bed?

Foxy: We will climb up the window.

BB: Oh. Man Foxy, you're a quick thinker.

Foxy: Actually I thought of this and put it in my diary a year ago and I put in it the not-much-time scenario.

BB: Another, "oh."

Foxy: Hey, look, we're already here! Time flies when you're having fun!

BB: (Changing the boring subject.) Ok, let's get on with it and unzip the S.P.

Foxy: Ok, you help me pull, ready set go!

BB and Foxy together: Rrmmph!

Foxy: Hooray! We got it! Is Boxy in there?

Boxy: (A big stuffie looks like a marshmallow that's stuck in a cardboard box that is open featuring a peak hole struggles to get out of the S.P.) Yuppers!

Foxy: I'll help you get out, but while me and BB pull you tell the other stuffies to push, Ok.

Boxy: (Boxy looks down below him where the other stuffies are.) Sup brothas! Do y'all mind pushing against my butt to get me and y'all out on the count of three, oga, thanks!

Foxy: Ok, ready?

All together: One, two, three!(Boxy comes falling off the bed.)

Foxy and BB: Are you okay Boxy?

Boxy: Yup!

BB: Ok, Foxy, on my three we'll pour all of the stuffies out ok? One, two, three!

Foxy and BB together: Hmmphh!

Foxy: Yes!

BB: We did it!

Foxy: Ok, let's get down now.

Foxy and BB together: Weee!

Foxy: Man! That was fun! I'll go see what Rainbow Foxy is doing. You go hurtle all the stuffies together.

BB: Ok.

Foxy: (After BB and Foxy split up, foxy ran over to Reis's bed to see what Rainbow Foxy was doing, because he saw Rainbow Foxy doing something over there when he was on Jack's bed. When he got there he saw rainbow foxy with **loads** of stuffies.) Oh, hi Rainbow Foxy!

Rainbow Foxy: Hi there Foxy.

Foxy: Thanks for helping, where did you find all these guys?

Rainbow Foxy: In the bin. I also looked in Reis's bed and I found a few of them.

Foxy: Come on! Let's go to the door BB is waiting for us!(After a minute they got there and Foxy found BB in the front and Rainbow Foxy went in the front too.)

Foxy: Everybody silence! We will have to march from here to the kitchen, we will past the sleeping

giant! Go on three, one two three! Now watch out!(A dog named Archie is sleeping on his dog bed.)

Archie: Grrrrr, hmph.

Foxy: Ahh! Run!(All of them ran as fast as they could avoiding Archie.

BB: Phewph!

Foxy: Do not stop!(They ran, tirelessly to the kitchen.)

BB: Do y'all see what I see?

Rainbow Foxy: Yup!

Foxy: 30 boxes of fresh pepperoni pizza.
